VOL. 29. No. 49

FARMERS' UNION TO MEET HERE

The Annual District Meeting to
Be Held July 16 and 17
At Court House

SEVERAL ABLE SPEAKERS

The Southwest Texas District Meeting of the Farmers' Union will convene at the Court house at two o'clock in the afternoon, next Friday, July 16th for a two days' session.

There will be over one hundred delegates present, besides several well-known speakers of State-wide prominence and a host of visitors.

The meeting and speeches will be both instructive and entertaining. The general public is cordially invited to attend and all members of the Farmers' Union are urged to be present.

The following is the program:
Welcome Address, by a member of the local bar.

Response to the address of welcome, by Mr. E. F. Shropshire of Houston.

"In the Interest of Agriculture," by Hon. Fred W. Davis of Austin, State Commissioner of Agriculture.

"The State Warehouse and Marketing System," by Senator F. C. Weinert of Seguin.

"In the Interest of the Farmers' Union," by Mr. H. N. Pope of Ft. Worth.

This will be one of the greatest and most important gatherings ever convened in Hondo, and every citizen of the town and Medina County is expected and should come, to the end that the meeting will be a great success and the visitors will carry a very pleasant recollection of Hondo's hospitality away with them.

The local committee of the Farmers' Union has made arrangements to take care of all speakers and delegates and a very enthusiastic and successful meeting is looked forward to.

Team Has Hard Luck With Strangers

Hondo surprised herself as well as Devine this week by taking three games from Devine, but the boys are greatly in praise of the Hondo management for reconnoitering a team that was really interesting.

The boys had found the original Hondo team so uninteresting that they were somewhat agitated and probably bashful when they met a team of strangers.

The teams are now even and the home boys have decided to try the Hondo team again as soon as the visiting players have departed from the hub city.

The above is from the Devine News, which has a passion for "piffle". It was unkind, indelicate, immodest, and, unhappily, wrong.

Devine did not "run up" against any "strangers". The only player we had that hasn't been with us since the season opened was Pitcher McLean, of Rogers, and we learn, from different reliable sources, that Devine had two strangers from Pearlsall and another from some other burg—equally as egotistical. Devine is a hard loser. In fact, it nearly kills the entire population when they lose. But, really, we are against putting that kind of "dope" in a great religious journal like The News.

The Hondo citizens, umpire and players have the reputation of treating visiting teams with more fairness than some other places we could mention. And we think that "piffle" was entirely uncalled for.—Henderson.

Notice to Farmers

I have the pure Red Rust Proof Seed Oats for sale. They are guaranteed to be free of Johnson Grass and are threshed clean to sow with seeder. I raised a little better than 60 bushels per acre. Mr. Ellebracht says they are the best oats he threshed this year. His machine is free of Johnson Grass. If any body has good oats to thresh call on him. He takes the seed out of the straw and puts it in your sack to be a good sample to show anywhere on the market. Ask Mr. Ellebracht. He will tell you all about my oats. If any body wants seed oats call on Joe Weynand. He will treat you fair.
Yours,
JOE WEYNAND.

Hondo Team Wins Again.

In the base ball game between the Hondo team and an Eagle Pass nine, played at Eagle Pass, Hondo was victorious by a score of 4 to 2. Battery for Hondo, McLean and Pegues.

Devine Finally Walloped Hard by Hondo Players

The largest crowd of the season saw what was undoubtedly the best ball of the year when Hondo met Devine Monday and Tuesday for a three-game series, two Monday and one Tuesday, which Hondo annexed by taking all three.

The first game was perhaps the best game ever witnessed in Hondo, it being a pitcher's battle between McLean and Redus, and was won in the second inning when Snow, who got a single, was advanced to third by Miller, and came home when Redus uncorked a wild pitch.

Both sides threatened several times, but good pitching and hair-trigger fielding pulled the game safe for both sides, and one time Pegues, by a splendid display of "gray matter", saved the game for Hondo by running Davis back to third, and then making a third out by throwing Thompson out at second.

This was a good game for a person suffering from heart disease to stay away from. McLean let Devine down with only three hits, and struck out thirteen men, besides getting a hit for himself, which is someday's work—believe me.

Redus pitched a nice game himself, getting eleven strike-outs. Outside of there being twenty-four strike-outs, a flock of hits, a lot of stolen bases and oodles of exciting plays there was nothing doing in the game. Final score, Devine 0, Hondo 1.

Batteries: Devine, Redus and Crawford; Hondo, McLean and Pegues.

Umpires, Dr. Smith and Mr. Tilley.

SECOND GAME.

In the second game Monday Redus again pitched, opposed by Miller. This game also was one humdinger, and when the smoke cleared away the score stood Devine 3, Hondo 5.

Redus ran out the S. O. S. signal about the 5th, and Davis sailed in to the rescue, and as a rescuer he is some baby, for Hondo was unable to solve his way of doing things at all, at all.

Miller, except for the first two innings, was as steady as the proverbial war horse. He let Devine down with only three hits, while Hondo was gathering a total of seven off of Redus and Davis. Outside of some nice plays, good hitting and fielding, there was nothing doing in this game either. Miller struck out eleven men, while the enemy got only six in the same place.

Batteries: Devine, Redus, Davis and Crawford; Hondo, Miller and Pegues.

Umpires, Dr. Smith and Mr. Tilley.

TUESDAY'S GAME.

Devine came back Tuesday for another crack at the home guard, but after the dust cleared they were sorry they came this way, for Hondo just had to have this game to even up the series played this summer, and just as the games played now stand, they score four all.

"Brad" was opposed in this game by Neil, a nice working southpaw, and as he is first and only left-hander the Hondo boys have batted against this summer, they were some time finding just where he stood in the affair. At any rate a few hits, mixed with a few bad plays, finally gave Hondo the chance they wanted, and at the finish we woke up to find the score 3 to 1, with Hondo holding the heavy end of the score.

"Brad" let the Devineites down with four hits, and should have had a shut-out, but he got a hit in the eighth, which he tried to stretch into a three-bagger, and, without a doubt, his hard run around the bases made him nervous and wild for the last session, when he walked one, gave one a hit, and Devine scored on a squeeze play. The Old Head tightened up then and jammed the next two. McLean got the loot in an assist.

Batteries: Devine, Neil and Crawford; Hondo, Bradley and Pegues.

Umpires, Johnson and Thompson.

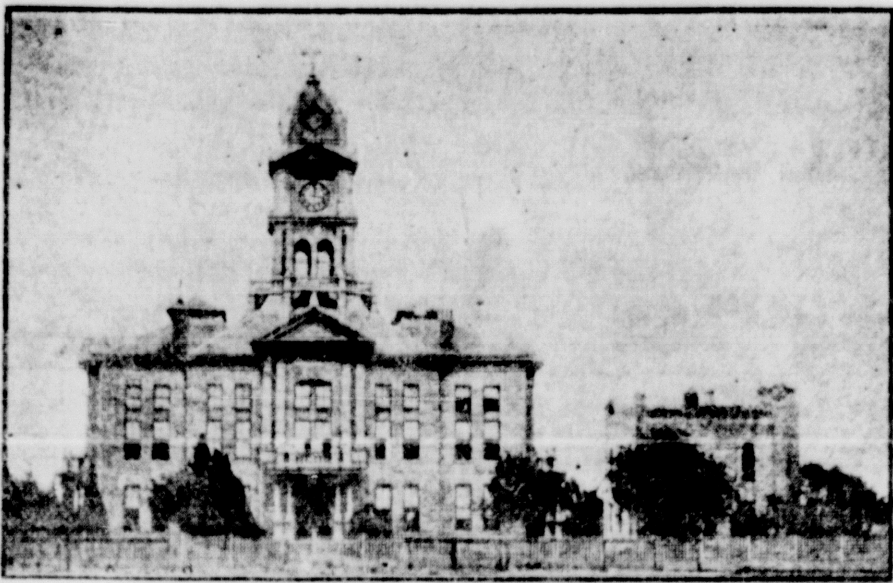

The team went to Eagle Pass Thursday for three games with the team of that town.

The games, tied as they now stand, each team having four games, will be played off next Thursday afternoon at de Montel Park, and the entire town should go out and help the boys win the championship of this district.

Methodist Church News.

The pastor being absent, Dr. Z. P. Bennett, a member of one of the Arkansas conferences, will fill the Methodist pulpit at both hours next Sunday.
JOHN M. ALEXANDER, P. C.

The District Farmers' Union Will Meet in this Building Next Friday

Upper Hondo Handouts.

Mr. and Mrs. And. Sprott returned Thursday from a week's visit at Comfort, where they had gone to see Mrs. Koennecke, mother of Mrs. Sprott.

Mrs. M. L. Saathoff and son, Alfred, visited Mr. and Mrs. D. Gerdes at New Fountain last week.

A light shower of rain fell here last night and prospects for more are very favorable.

Some corn in this vicinity would be benefited yet by a good rain. Cotton also needs rain badly.

Little Germany is almost depopulated today, the old people having gone to a barbecue at the home of Gus Britsch, and the young people went to Tarpley to take part in a base ball game. We hope everybody will have a good time.

Geo. Dickson believes in entertaining his customers. He keeps a phonograph playing continuously.

Rev. J. C. Winkel of Medina City and Rev. Cross of San Antonio are conducting a protracted meeting at Tarpley at the new Methodist church, which has just been built.

Mr. and Mrs. Alex Marquis visited relatives at Quibi and Dunlay last week.

As the mercury has been hovering around the 100 mark for the last week, all the conversation that you can hear is: Is it hot enough?

Mr. Dean wound up threshing in this neighborhood Monday.

We hear that Mrs. Miller of Upper Seco has returned from a protracted visit in San Antonio.

We have been informed that Aug. Sprott is running Mr. Rothe's big traction plows for Mr. Rothe turning over the stubble land preparing for next year's grain crop.

J. P. Nixon from Yancey came up in his car one day last week to look after his ranch interests here. Mr. Nixon brought a cattle buyer up, but did not learn if he made a sale or not.

People up here are discussing direct mail connection with Hondo. We think there are enough subscribers along said route to establish it, as it would deliver our mail two days earlier than we receive it now. Let's push it along.

Prof. Z. A. Hall Dead.

Lockhart, Tex., July 2.—Professor Z. A. Hall, who has been teaching dancing in this section for many years, died at his home near Kyle. Prof. Hall was stricken at Schulenburg and was carried to his home at Kyle, but never regained consciousness. For more than a quarter of a century Professor and Mrs. Hall have organized a dancing class here, and have friends in every town in this section of the State. He was 57 years of age. His widow and several brothers and sisters survive him.—San Antonio Express.

Prof. Hall was well known here. He and Mrs. Hall having put on several benefit shows at the auditorium.

Masons Install Officers.

At a called meeting of Hondo City Lodge No. 756, Ancient, Free and Accepted Masons, held last Monday night the following officers were installed for the ensuing Masonic year: Fletcher Davis, worshipful master; Dr. W. H. Smith, senior warden; Prof. W. N. Saathoff, junior warden; Dr. H. J. Meyer, senior deacon; F. M. Posey, junior deacon; Dr. J. H. Fletcher, secretary; P. H. Lynch, senior steward; Emil Graff, junior steward, and J. Ira Hurt, tiler. Isaac Wilson was re-elected treasurer after having served several consecutive terms.

An Idle Dream.

The score was tied—last of the ninth—and Hondo was at bat. All through the game Devine had slammed the home team to the mat. But at this instance, our stinger up, we were to do or die, for Starnes the husky swat-smith had gone in his good eye. He took his place off-side the plate, with both feet firm on earth, he let two goods ones go straight by, Devine ran or "e" with mirth. But the next ball pitched was ten feet high, but Starnes, why should he worry, he leaped up high and slammed it hard, and 'round the bags he hurried. One bag, two bags, and now past third this fleet-foot Mercury scurried. Home run the grand stand howled to him, come on you Mutt, YOU HURRY. He ran as he had never ran before, he heard the wild mob rant. On, on, he ran, but 'tis painful now, his breath came in short pants. Just at this time, this Crawford guy, with a sardonic fiendish leer, got hold the ball and held it thus, to ram it in Starnes' ear. Great Balls of Mud! he must be out, but no, what's this we're seeing, Earl's blood was "het", he slid you bet, and came home 'mid the cheering. You don't believe it, but 'tis true, Starnes slid the hook-slide cobbly, he slid and slid on his noble form, at least twelve feet quite wobbly. It won the game, this classic slide, of this you may be sure, just as it ought in stories bold, the hero is the doer. But as it ends the frenzied mob, it's howls grow dim and dimmer, just then my wife says wake up, "Dek", get up, and come to dinner.

County Court Was in Session During Week

County court convened Tuesday at 2:30 p. m. and transacted the following business:

CIVIL DOCKET.

Schmitt & Steinhardt vs. John R. Cox, suit on open account. Passed by agreement.

Schmitt & Steinhardt vs. Hondo State Bank, garnishment. Passed for further orders.

Andrew P. Allen vs. J. E. Dubose, injunction. Passed over for further orders.

Tabet Bros. Co. vs. Henry Moore, injunction. Set for July 15 at 2 p. m. Adams Co. vs. Mrs. Chas. Brown, suit on note and open account. Continued to perfect service.

Geo. Christiles vs. J. A. Kercheville and W. H. McMickle. Suit on promissory note. Passed over.

CRIMINAL DOCKET.

State vs. Plameno Saucedo, adultery. Dismissed by county attorney.

State vs. W. L. Dubose, V. P. Dubose and Milton Dubose, libel. Passed for further orders.

State vs. Antonio Flores, aggravated assault. Plea of guilty entered and a fine of \$25 and costs assessed.

State vs. Mose Tippins, unlawfully carrying a pistol. Continued for service.

State vs. Peter Riha, aggravated assault and battery. Continued until next term of court.

State vs. Juan Perales, aggravated assault and battery. Plea of guilty entered and a fine of \$5 and costs entered.

State vs. Francisco Perales, aggravated assault. On motion of county attorney charge was reduced to simple assault, plea of guilty entered and a fine of \$5 and costs entered.

State vs. Julia de Rocha, adultery. Continued to next term of court.

Several applications for renewal of retail liquor dealers' license are on the docket, but none of these had been acted upon up to noon yesterday.

Married.

Mr. Ed. Moehring and Miss Lia Leinweber, popular young people of this community, were happily married at the German Lutheran church, by the pastor, Rev. A. F. Falkenberg, last Tuesday afternoon at four o'clock.

The young couple left that afternoon for a honeymoon trip, after which they will be permanently located at their home near Hondo.

The Anvil Herald joins their many friends in extending congratulations and well wishes.

JUDGE E. R. KONE IN MEDINA COUNTY

He Delivered Three Interesting
Addresses Here and at
D'Hanis this week

CONSERVATION IS URGED

Ex-Commissioner of Agriculture, Hon. Ed R. Kone, spent several very busy days in Medina County this week. On Tuesday evening he spoke to a large crowd at D'Hanis, on Farm Problems and the Improvement of Farm conditions. His address was listened to attentively and we predict much good to follow if the farmers of that neighborhood will heed the advice of Judge Kone.

Wednesday afternoon he delivered a lecture to the students of the Hondo Summer Normal, stressing the importance of Agricultural courses in the public schools. The lecture was interesting and helpful throughout.

Wednesday evening, at 8:30 o'clock, Judge Kone addressed the public at the court house at Hondo on Farm Problems, Improvement of Farm Conditions, Conservation of Moisture, Preservation of Soil, and Seed Selection. He urged the conservation of moisture by breaking the land deep in the fall, about October, and harrowing after each rain from then on until planting time in the spring, and keeping it free from weeds and grass, thereby impounding enough moisture to produce a fair crop without rain during the growing season. He also stressed the importance of preserving the land by crop rotation, and the necessity of care in seed selection.

Judge Kone is an interesting speaker and an earnest worker for the improvement of farm conditions and by heeding his advice the farmer can not but be benefited.

After Judge Kone's address a Farmers' Institute was organized with Arnold Rothe, President; Toby Koch, Vice-President; Mrs. Fletcher Davis, Secretary; and Raymond Bailey, Entomologist.

R. E. Bohmfalk, Toby Koch, Diedrich Wiemers and Arnold Rothe were elected delegates to the State Farmers Institute at Austin on July 27, 28 and 29.

Every person who has the agricultural welfare of this community at heart is urged to enroll as a member of this organization.

On Thursday morning Judge Kone lectured to the students of the Hondo Summer Normal for Colored Teachers, at the close of which the students gave him a rising vote of thanks.

Best Diarrhoea Remedy.

If you have ever used Chamberlain's Colic, Cholera and Diarrhoea Remedy you know that it is a success. Sam F. Guin, Whatley, Ala., writes, "I had measles and got caught out in the rain, and it settled in my stomach and bowels. I had an awful time, and had it not been for Chamberlain's Colic, Cholera and Diarrhoea Remedy, I could not possibly have lived but a few hours longer, but thanks to this remedy, I am now well and strong."

Crying For Help.

Lots of It in Hondo But Daily Growing Less.

The kidneys often cry for help. Not another organ in the whole body more delicately constructed; Not one more important to health. The kidneys are the filters of the blood.

When they fail the blood becomes foul and poisonous.

Backache is one of the frequent indications of kidney trouble.

It is often the kidneys' cry for help. Heed it.

Read what Doan's Kidney Pills have done for overworked kidneys.

Read what Doan's have done for Hondo people.

Mrs. G. W. Monkhouse, Hondo, says: "One box of Doan's Kidney Pills, which I got at the Martin Drug Co., brought good results in strengthening my back and removing pains from which I had suffered."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Monkhouse had. Foster-Milburn Co., Props., Buffalo, N. Y.

A VISTA FROM LAKE AUSTIN

From University of Texas property, on south shore.

The completion of the gigantic dam across the Colorado River near Austin, supplies the one thing needed to make ideal the location of the State's greatest institution of learning, the University of Texas. The lake runs back winding among the evergreen hills of Edward's Plateau for 35 miles, offering students who are disposed to take their recreation out-of-doors, such wholesome sports as rowing, fishing, motor-boating, swimming, sailing and so on. A large part of the land bordering the lake near Austin is owned by the University, and the students have erected a boat-house at a convenient place where their canoes, rowing and motor-boats are kept at a nominal charge.

MANUAL TRAINING AT STATE UNIVERSITY

University of Texas Students—future teachers of manual training in the public schools of the State.

The great handicap which bars progress in vocational education in Texas today is lack of properly trained teachers. The University of Texas is doing a great work in turning out hundreds of highly trained teachers each year who take their life positions in the public schools.

Peggy Burke, Thanhouser (Mutual) Star, in an Amusing Scene from "The Silent Co-ed."

See who is here! Why, it is charming Peggy Burke, former little star of the legitimate, but now a member of the Thanhouser (Mutual) forces at New Rochelle, N. Y. As the lead in "The Silent Co-ed," a side-splitting comedy of college life, filming of which was recently completed, Miss Burke furnishes one of the most charming characterizations she has ever presented on the screen. The accompanying photograph, taken in the college "gym," shows Miss Burke standing at the head of her fellow students.

"FRAMERS OF THE CONSTITUTION OF THE U.S.A." NO. 3

Alexander Hamilton—"Father of American Credit"

DANIEL WEBSTER says of Hamilton: "He smote the rock of National resources and abundant streams of revenue gushed forth; he touched the dead corpse of public credit and it sprung upon its feet." No man did more to build the Constitution of the United States than did Hamilton. He took a prominent part in every debate, and worked indefatigably on all the important committees. His genius, individuality and daring foresight are indelibly stamped upon every clause of our National Law—the law under which Americans are guaranteed for all time Religious, Commercial and Personal Liberty. During Hamilton's lifetime he used his great influence to encourage and protect the brewing industry. Among all the Fathers of the Republic none knew better than he that hon-

AN IMPORTANT ADDRESS.

SPLENDID REASONS FOR SUPPORTING THE SACKETT RESOLUTION.

Executive Committee for the Advancement of Higher Education in Texas Urge That This Amendment Prevail.

TO THE VOTERS OF TEXAS:

Among the Constitution Amendments to be voted on July 24th, is House Joint Resolution No. 34, better known as the Sackett Resolution. This proposed amendment concerns the State institutions for higher education, and we, the undersigned, desire to commend it without reserve to the people of the State, and to express the unqualified belief that the best interest of the State will be promoted by its adoption.

It is agreed by all who are familiar with the subject, that the existing provisions of the Constitution regarding these institutions are unsatisfactory. At present no money can be appropriated out of the general revenue for the erection of buildings for the University of Texas. This inhibition is the most serious obstacle to the growth of the University. Section 14, of Article 7, of the Constitution, now reads:

"The Legislature shall, also, when deemed practicable, establish and provide for the maintenance of a college or branch university for the instruction of the colored youths of the State, to be located by a vote of the people; provided, that no tax shall be levied, and no money appropriated out of the general revenue, either for this purpose or for the establishment and erection of the buildings of the University of Texas."

It is passing strange that the inhibition against the use of money out of the general revenue should appear as a "rider" in the section which provides for the establishment of a school for negroes. The urgent need of the buildings has been repeatedly stated by the board of regents in the most emphatic terms. The proposed amendment does not give the University any buildings; it merely empowers the Legislature to appropriate money for that purpose. Who would contend that the Legislature ought not to have that power?

The relations of the Agricultural and Mechanical College to the University are not satisfactorily determined by the present provisions of the Constitution. Nobody knows to a certainty what these relations are. Technically, by Section 13, the College is a "Branch" of the University. Is it, then, lawful to appropriate money out of the general revenue for buildings for the College? It has generally been held that it is lawful; but at least one governor has held that it is not. There is the ever present danger that after the Legislature has voted money for buildings for the College, the appropriation will be vetoed by the Governor on Constitutional grounds. Surely this uncertainty ought to be removed.

These two are serious objections to the Constitutional provisions as they now stand. The benefits to be secured by the adoption of the proposed amendment are of prime importance.

1. The Legislature will be authorized, in its discretion, to appropriate money for buildings for the University, the Agricultural and Mechanical College, the College of Industrial Arts and to provide otherwise for their support.

2. The Agricultural and Mechanical College will be separated from the University and made an independent college.

Conditions demand that this be done. In no other way will the College be able to be of the highest service to the people.

The amendment provides for no bonds. It lays no burdens upon the people.

3. In addition to separating the A. & M. College and the University, it also provides that the College of Industrial Arts for white girls shall be permanently located at Denton, with its own governing board. That school has no Constitutional status, and can, therefore, be moved by an act of the Legislature.

4. Under the terms of the proposed amendment a part of the permanent University fund will be transferred to the A. & M. College. The College undoubtedly has an equity in this fund. The College is a branch of the University. Of a

lands set aside for the purpose of creating the permanent University fund, one million acres were appropriated specifically for the University "and its branches." Again, the fact that the Legislature, in 1879, and in succeeding years, appropriated to the College a part of the revenue from this fund, established the fact that the public at the time when the Constitution was adopted, believed that the College was entitled to a share in the permanent University fund. The Sackett resolution recognizes this equity and proposes a division which was considered just and fair by the Thirty-fourth Legislature.

The substance of the proposed amendment has been endorsed by the Democratic party, the Republican party, the Farmers' Congress, the State Farmers' Institutes, and by the Texas Bankers' Convention.

The amendment to Article 7, of the Constitution of the State of Texas, providing for the separation of the University of the State of Texas and the Agricultural and Mechanical College, known as the Sackett Resolution, is the response which the Thirty-fourth Legislature makes to these demands.

If the people were just establishing a system of higher institutions, they might well consider the plan of creating one comprehensive institution, whose functions should include all the activities now carried on by the existing institutions. There are strong arguments on both sides of that question. But the time for its consideration has passed. The Agricultural and Mechanical College has been in existence thirty-nine years; the University of Texas thirty-two years. Each has its own history, its own traditions, its own individuality, its own ideals. It is too late to think of consolidating them. They are now, in effect, two independent institutions and have always been so. The technicality under which the College is considered a part of the University, is little more than a legal fiction. It has led to uncertainty and friction, and has stood in the way of the full development of the Agricultural and Mechanical College. The ideal for the College is a school of technology of the first rank. It can never become such while it remains a "branch" of another institution, with vexatious questions continually arising, which affect its very existence.

5. Those who have for years urged the complete separation of the A. & M. College and the University, have done so on the broad ground that separation would be best for both schools. They believe that since these two schools have different spheres in which to work, their usefulness and efficiency will be enhanced by removing any feeling of dependency on the one hand, or responsibility on the other. They should be free from any alliance whatever, each left to its own management, to work out its own destiny, in its own way.

Their work leads along lines that naturally diverge, and so long as one is a branch of the other, friction and discord cannot be avoided.

"A University of the first class," and an A. & M. College, such as Texas ought to have, can be more easily attained by giving to each the same status in law.

We cannot imagine a condition fraught with more contention than would exist if both schools were forced under one yoke, each pulling in opposite directions, a condition liable to occur, unless this amendment is adopted.

Texas is so large and her agricultural interest so extensive and varied, and the need for mechanical arts so great, that the A. & M. College will never have cause to encroach upon the domain of the University.

The field for a university of the first class, in Texas, is so gigantic that the mind cannot grasp its boundaries. A school equipped as the University should be to furnish the most thorough training in all the professions, arts and sciences, will challenge the highest admiration of all the people of Texas, who love knowledge and progress, and the work of both (the University and the Agricultural and Mechanical College) together with the normal schools and the College of Industrial Arts, will meet every demand of the State for higher education.

The adoption of this resolution, on the 24th of July, we believe will wisely and permanently settle all differences between the A. & M. College and the University, and establish them on a sound and equitable basis, and forever remove any just cause for friction.

HAVE YOU BEEN SICK?

Then you realize the utter weakness that robs ambition, destroys appetite, and makes work a burden.

To restore that strength and stamina that is so essential, nothing has ever equaled or compared with Scott's Emulsion, because its strength-sustaining nourishment invigorates the blood to distribute energy throughout the body while its tonic value sharpens the appetite and restores health in a natural, permanent way.

If you are run down, tired, nervous, overworked or lack strength, get Scott's Emulsion to-day. It is free from alcohol.

Scott & Bowne, Bloomfield, N. J.

Chamberlain's COLIC, CHOLERA AND Diarrhoea Remedy

THIS is unquestionably the successful medicine in all bowel complaints, and it is the recognized standard over a large part of the civilized world. Every man of a family should keep this remedy in his home. Buy it now. It may save life. PRICE 25c. LARGE SIZE 50c.

Made My Life Worth Living

"I feel it my duty to tell others what Chamberlain's Tablets have done for me," writes Mrs. L. Dunlap of Oak Grove, Mich. "I have suffered with pains in my back and under my shoulder blade for a number of years, also with a poor appetite and constipation. I tried all of the remedies that I heard of, and a number of doctors, but got no relief. Finally a friend told me to try Chamberlain's Tablets. I got a bottle of them and they soon helped my stomach; by their gentle action my bowels became more regular. Today I feel like praising them to all who suffer as I did, for they have cured me and made my life worth living."

they have cured me and made my life worth living."

Farmers' Warehouse Success.

D'Hanis, Texas, July 5.—Stockholders of the Farmers' Union Warehouse Company of D'Hanis held their first annual meeting and election of officers Saturday night. The following officers were elected for the ensuing year: A. L. Braden, chairman; Joe Zerr, vice-chairman; J. B. Lutz, secretary; directors, A. G. Ise, Hy. Rudinger, Jacob Rothe, Albert Nester and H. R. Wernecke.

Reports read at the meeting show that the warehouse is a success, and the coming year it will be run on a co-operative plan and according to the permanent warehouse laws now in effect.

Notice to Debtors and Creditors.

THE STATE OF TEXAS, COUNTY OF MEDINA.

To those indebted to, or holding claims against the Estate of Thomas Coopwood, Deceased.

The undersigned having been duly appointed administrator of the Estate of Thomas Coopwood, Deceased, with the Will annexed, late of the County of Medina and State of Texas, by R. J. Noonan, Judge of the County Court of Said County, on the 7th day of July, A. D., 1915, during a regular term of said Court, hereby notifies all persons indebted to said estate to come forward and make settlement, and those having claims against said estate to present them to him at his residence, Pearsall, Frio County, Texas, where he receives his mail. This the 7th day of July, 1915.

C. N. McCLENDON, Administrator of the Estate of Thomas Coopwood, Deceased, with the Will annexed.

Finishes the Job.

It is beauty that begins to please, and tenderness that completes the charm.

Convincing.

Many people complain that they are not appreciated at their true worth; and the numerous empty prison cells seem to bear them out.

Might Say Many Men.

"Some men," said Mrs. Pozzozzle, "think that because they have one poor little woman bamboozled at home, that they possess great executive ability."

Papa Was to Economize.

Small Boy (handing druggist a half dollar)—"Five five-cent cigars, and give me the change." Druggist—"But, Bob, your father always smokes ten-cent cigars." Small Boy—"Well, he isn't going to this time"—Life.

What Sort of a Friend Are You?

What sort of a friend are you?
Do you stick by a brother's side,
As you know you'd want him to do
If you were as sternly tried?
Is there ever a pleasure rare
That you willingly go without
To share another's care,
And smilingly help him out?
What sort of a friend are you?
Just one of the fair day kind,
A smile when the skies are blue,
Ahead when he falls behind?
Do you put yourself out at all,
Do you pass up a joy that's nigh
To answer a brother's call,
Or selfishly hurry by?
Do you stick when his days are glum,
As you did when his days were fair?
When he wishes that you would come
Do you eagerly hurry there?
Or do you think of yourself
Each minute the whole day through,
Of comfort, of fame and pelf?
What sort of a friend are you?

—Edgar A. Guest, in Detroit Free
Press

Attend the Chautauqua.

All persons who attend the
Farmers' Free Chautauqua near
the city limits of San Antonio
July 19 to 24 will have a chance
to see themselves as others see
them. According to D. E. Colp,
secretary of the Bexar County
Highway League who has
charge of the arrangements,
moving pictures will be taken
daily of the crowds, of water-
melon eating contests, largest
families, and similar features.
The pictures will be taken one
day, developed and exhibited
the next day as a part of the
free motion picture program at
the night sessions.

The free use of Exposition
park at the end of the Hot Wells
street car line was offered to the
league for the Chautauqua today
by R. M. Smith, manager of the
park. Mr. Smith agrees to turn
over the park theater, concession
stands, swings, and all build-
ings excepting the dance hall
and roller coaster to the farmers

THE VERY BEST TIME to take Doctor
Pierce's Golden Medical Discovery is now,
if you feel that your blood is out of order.
Don't wait until you have to cure dis-
ease; it's easier and better to prevent it.
With the first blotches or eruption, or
the dullness, weariness, and depression
that are some of the symptoms, you need
this medicine. It will remove every organ
into healthy action, thoroughly cleanse
and repair your system, and build up
needed flesh, health, and strength. It's
the only reliable blood remedy. In the
most stubborn Skin or Scalp affections,
in the worst forms of Scrofula, in every
disease caused by a torpid liver or impure
blood—it never fails to benefit or cure.
Mrs. JENNIE WELLS, 610 North Broughton St.,
Sherman, Texas, says:
"I have used Dr. Pierce's Golden Medical Dis-
covery and found it to be the best. I found it
all right, and can recommend it highly."
Constipation causes many serious dis-
eases. It is thoroughly cured by Dr.
Pierce's Pleasant Pellets for liver ill.

Deafness Cannot Be Cured

by local applications, as they cannot reach
the diseased portion of the ear. There is
only one way to cure deafness, and that is
by constitutional remedies. Deafness is
caused by an inflamed condition of the mu-
cous lining of the Eustachian Tube. When
this tube is inflamed you have a rumbling
sound or imperfect hearing, and when it is
entirely closed, deafness is the result, and
unless the inflammation can be taken out
and this tube restored to its normal condi-
tion, hearing will be destroyed forever; nine
cases out of ten are caused by Catarrh,
which is nothing but an inflamed condition
of the mucous surfaces.

We will give One Hundred Dollars for any
case of Deafness (caused by catarrh) that
cannot be cured by Hall's Catarrh Cure.
Send for circulars free.
F. J. CHENEY & CO., Toledo, Ohio.
Sold by Druggists, 75c.
Take Hall's Family Pills for constipation.

for a week. A grove across the
road on the Hot Wells property
also has been offered, for camp-
ing ground. As a number of
other sites have been offered,
decision will not be made until
an inspection is made of each
available place.

Prof. A. E. Townsend, dear
of Baylor College at Belton, and
several agricultural experts from
A. & M. College, the State and
U. S. Departments of Agricul-
ture have agreed to assist in the
short course program. A large
canning exhibit by boys and
girls' clubs is being collected by
W. G. Hand, government agri-
cultural agent for Bexar county.
The exhibits, together with farm
products and livestock, will be
sold at auction during the week.
All of the money received at the
auction will go to the original
exhibitor or owner. A large at-
tendance is expected, as many
farmers have already said they
would bring their families and
spend the entire week at the
Chautauqua.

Sabinal Sentinel Siftings.

Mrs. J. W. Brashier returned last
Friday from a visit in Del Rio.

Rev. J. H. Bohmfalk and Messrs.
Dick Burns and Bob Davis and Mrs.
Bohmfolk and Miss Edith Minns at-
tended the Baptist Revival at Bear
Creek on Sunday night.—Rio Frio Cor.

Mrs. Meriwether came home Friday
from the Normal at Hondo but returned
Monday.—Knippa Cor.

Rolf Balzen is having a reservoir
built on his farm from which he ex-
pects to irrigate his garden and or-
chard.—Knippa Cor.

Mr. Geo. S. Harper took Mr. Will
Boyce to D'Hanis where W. A. Boyce
is running a garage.—Utopia Cor.

Mr. and Mrs. Jacob Reinhart and
Mrs. Nora Horn and son autoed to the
Medina Dam Saturday. They report a
pleasant trip.

Messrs. Boyce of Utopia passed
through Sabinal Wednesday on their
way to San Antonio. They are pre-
paring to open a Garage in D'Hanis
soon.

Miss Sarah Wyatt went to Hondo
Wednesday evening to spend the sum-
mer with relatives.

Mrs. Horn and son, Henry, who
having been visiting Mr. and Mrs.
Jacob Reinhart, left Tuesday for their
home in Del Rio where they will spend
a few days before going to the Pacific
Coast.

Mr. and Mrs. Raymond Smith of
D'Hanis are spending the week end
with Mr. and Mrs. Felix Turner.

Mrs. Augusta Austin, who is at-
tending the Normal at Hondo, came
home to be at the dedication of the
Presbyterian Church Sunday.

Mr. J. A. Tampke was down from
Utopia last night to meet Mr. W. F.
Tampke and family of Marathon, who
will make a visit at Utopia. Mr. J.
A. Tampke was out at Marathon last
week.

Convenes at Eagle Pass, Texas, Aug. 16, 17 and 18

Interesting and Instructive Program

Begin Now Getting Ready to Attend

A Barbecue Dinner.

A very fine barbecue dinner was
given at the home of Mr. and Mrs.
Emil Graff Sunday, July 4, 1915. A
fine dinner of barbecued goat and pig
meat and many other edibles were
served, to which all did ample justice.

Those present were: Mr. and Mrs.
Emil Graff, Mr. and Mrs. F. L. Graff,
Dr. and Mrs. Fletcher, Dr. and Mrs.
Smith and son, Dr. and Mrs. R. P.
Thomas and son, Robert, Mrs. Perkins
and son, Mr. and Mrs. L. A. Mechler
and children, Mr. and Mrs. Albert
Bilhartz and children, Mr. and Mrs.
S. B. Heath and children, Mr. and
Mrs. Geo. Graff and children, Mr. and
Mrs. Willie Mussman and children,
Mr. and Mrs. Charlie Sayers and chil-
dren, Mr. and Mrs. John Heyen and
children, Mr. and Mrs. J. W. Ubrich
and children, Mrs. Helena Hartung,
Mr. and Mrs. Frank Heath, Mr. F. L.
Boehle, Mr. and Mrs. Charlie Graff
Sr., Mr. Florian Rendeke, Mr. and
Mrs. C. L. Graff, Messrs. Emil Haeg-
elin, Fritz, Louis, Otto, Bennie, Henry,
Robert and Walter Graff, Aaron Bil-
hartz, Jonsey Ubrich, Robert Hart-
tung, Fritz, Meebius, Carl and Otto
Haegelin, Eddie and Walter Saathoff,
Misses Olga Heyen, Lena Graff,
Myrtle Ubrich, Minnie Graff, Frieda
Etter, Sylvia and Goldie Bilhartz,
Paulina Graff, Florence Heath.

Refreshments were served all after-
noon and at 7 o'clock supper was
served, to which all did ample justice.

After supper the young people com-
menced dancing and at 12 o'clock the
sweet strains of "Home Sweet Home"
sent all to their respective homes say-
ing they had enjoyed the day fine and
wish for another one in the near
future.

ONE OF THE CROWD.

Try the Anvil Herald one year for
one dollar—less than two cents a week

Farmers Institute.

Several farmers met with Fletcher
Davis on the occasion of his visit here
last week and organized an Institute
for this section. The following offi-
cers were elected:

Rodney Lewis, President; H. A.
Reynolds, Vice-President; H. O. Klose,
Secretary; T. H. McGahey, Entomolo-
gist.

The Farmers' Institute extends a
general invitation to all the people of
this section to join the organization
for the purpose of getting all the pos-
sible benefits from it. This is no polit-
ical organization, neither is it a sec-
ret order, but it works in line with
the State Department of Agriculture,
and is designed to benefit the whole
people. Watch for future announce-
ments of dates of meetings and try to
make it convenient to attend and let's
build up one of the strongest Insti-
tutes in the State right here at Ber-
tram. It will speak well to the State
at large for our country and town.

The following delegates were select-
ed to attend the Texas State Farmers
Institute at Austin on July 27, 28 and
29: Rodney Lewis, H. O. Klose and
T. H. McGahey.—Bertram Banner.

Miss Harris, Composer.

Miss Dorothy Harris, daughter of
Rev. and Mrs. W. C. Harris, is re-
ceiving congratulations over the re-
ception and demand for her recently
published musical composition. "Just
Blues" is the name of this popular
number.

It is on sale at the Uvalde Music
Co.—Uvalde Leader-News.

A jury should remember never to
season justice with mercy, when it is
trying a man for beating his wife.

TESTING TEXAS ROAD MATERIALS, UNIVERSITY OF TEXAS BUREAU OF ECONOMIC GEOLOGY

Millions of dollars per year are voted for road building in Texas
and increasing millions will be voted as the state becomes wealthier
and more populous. The proper spending of this money is an enor-
mous problem. The University of Texas is contributing to the so-
lution by training young men in engineering and the installation of a
first-class roads material testing laboratory, where over a thousand
samples of Texas roads material have been tested in the last few
months and recommendations made concerning each sample.

Above is a scene in the roads testing laboratory, at the University
of Texas, in Austin, where the Bureau of Economic Geology is
testing various stones and gravels which are found in Texas, with
a view to determining their suitability for road construction. The
United States Office of Public Roads maintains such a laboratory
in Washington, but the University laboratory is as complete an es-
tablishment of its kind as can be found in the country. The direc-
tor of this laboratory hopes to be able to test, analyze, catalogue
every material of use in road-building in the state, and publish
results of all such investigations for free distribution. County
road engineers, commissioners, owners of gravel pits or limestone
quarries, or indeed, any one interested in having tests made of
available road material can secure a report upon the same by
sending samples to the University Bureau of Economic Geology.

Buy-It-In-Texas

A Slogan for Texans

The most popular slogan with us today is, "Buy-it-in-Texas," and it is not passing strange that this should be the case, for the idea is being fostered by all of those who have the best interests of our dear old state at heart.

Aside from the general clamor of the business interests, this recommendation comes from the Legislative and Executive branches of our Government as well, from men who have ever given the weightiest of problems their undivided attention and study, the result being that they are not only preaching but practicing the doctrine of making purchases in our own state. What this means to us, any ordinary lay-man can readily conceive, millions of untold wealth kept in our state, new manufacturing enterprises, and ultimately employment for all classes of skilled and unskilled labor and an era of unprecedented prosperity.

While on the subject, why would it not be advisable to go a step further and say not only "Buy-in Texas," but buy goods and products MANUFACTURED in Texas? As regards the latter, we claim to be among the pioneers, having paved the way in our line, and we feel constrained to say in all modesty that we have attained such a measure of success in the manufacture of beer, especially bottle beer, producing the famous brands, "Pearl" IN BROWN BOTTLES only, "Texas Pride" IN WHITE BOT-TLES, that we adopted a slogan of our own, viz, "WHO CAN BEAT IT?" We deem this quite pertinent, for the verdict of the public, judging by our very large and continually increasing trade, has been: "NO ONE HAS, BECAUSE NO ONE CAN!"

Considering what we have done in the manufacturing line, our efforts to upbuild our city and State, and realizing that there are a great many people who appreciate a really meritorious article, may we ask in all kindness that you give our famous brands a trial? We will appreciate the consideration.

Very truly yours,

Coughs and Colds Not to Be Neglected

Anyone will realize the seriousness of neglecting a cold if he observes results of such neglect among his acquaintances. How often have you heard, "He caught cold, didn't do anything for it and it turned into"—then some dreaded disease is named!

Ordinary colds yield to prompt treatment at the beginning. That is why every family should be supplied with a reliable cough medicine—one that will heal raw and inflamed surfaces, loosen the phlegm, allay irritation, ease the hoarseness and stop the tickling sensation in the throat that does not permit one to sleep.

Foley's Honey and Tar Compound is invaluable for relief of coughs, colds, croup, whooping cough, tickling in throat, tightness or soreness, grippe or bronchial coughs. It contains no harmful ingredients. It is healing, soothing, efficient and pleasing.

A. & M. COLLEGE AND UNIVERSITY DIVORCEMENT.

PERTINENT REASONS WHY RESOLUTION 34 SHOULD BE ADOPTED AT THE ELECTION JULY 24TH.

All Parties and Industrial Organizations Favor the Separation of the A. & M. College and the University.

Every political party and the Farmers' Congress, the Farmers' Union, Farmers' Institutes, and Bankers' Convention have demanded the divorce of the A. & M. College from the University. On the 24th of July that question for the first time will be before the voters of Texas. The resolution is known as House Joint Resolution No. 34. Below will be seen these strong demands, and we ask a careful reading of the same.

Platform Demands.
El Paso Platform—August 11, 1914.
"We demand that the differences between the A. & M. College and the University of Texas be fairly, equitably, carefully and cautiously adjusted, not forgetting that both these great institutions are the property of the State and the source of gratification and pride of all the people."

San Antonio Platform—1912.
"We further favor that the Legislature propose and submit an amendment to Section 11, Article 16, of the Constitution, providing for the complete divorce of the University and the Agricultural and Mechanical College and remove the inhibition against making appropriations out of the general revenue for the erection of buildings for the University, and that a just and equitable division of the permanent University fund be made as between the University and the A. & M. College."

Galveston Platform—Adopted August 10, 1910—Paragraph 7.

"Believing that an educated citizenship is the best assurance of good government, we remind the Legislature that our school system has not kept pace with the educational progress of the times, but has suffered in organization and in maintenance. We demand, therefore, * * * adequate provision for the upbuilding of the University, the A. & M. College, the Normal Schools and other educational institutions controlled by the State. * * * Provision should be made for * * * the separation of the A. & M. College from the State University. Provision for a liberal and independent income for the State institutions of higher learning should be made."

Republican Platform—Waco, Texas, August 11, 1914.

"The Republican party favors laws enabling Texas to keep pace with other States in educational progress becoming the great State of Texas, and for the separation and divorce of the A. & M. College from the University of Texas."

Progressive Platform—San Antonio, Texas, August 11, 1914.

"We favor the separation of the University of Texas and the A. & M. College, and to extend to each the aid necessary to carry out their respective phases in the educational life of Texas."

Resolutions of Farmers' Union—Fort Worth, August 7, 1914.

"We believe that the best interest of the State demands that the A. & M. College be separated from the University of Texas, and constituted an independent college, and that the two institutions be given liberal support by the State. We, therefore, recommend that the Legislature propose and submit to the people a constitutional amendment providing for the complete divorce of the University of Texas and the A. & M. College, and for the removal of the inhibition against making appropriations out of the general revenue for the erection of buildings for the University and the A. & M. College."

Speaking of the above resolution. Hon. W. A. Bowen, editor of *Farm and Fireside*, says: "There have been similar resolutions passed at nearly all of our State meetings for the past several years."

Texas Bankers' Association—Waco, Texas, May 20, 1915.

"Resolved, That the Texas Bankers' Association earnestly commends to the careful and favorable consideration of the voters of the State, the proposed amendment to the Constitution known as Resolution 34, which provides for a broad and liberal support for all the State institutions of higher education."

Farmers' Congress—August, 1914.
"We again declare ourselves in favor of a legal separation of the A. & M. College from the University of Texas and an equal division of the State's endowment provided by our forefathers for the support of higher education."

Farmers' Congress Resolutions, 1912.
"Asserting, with Thomas Jefferson, that 'A people who mean to be their own governors must arm themselves with the power that knowledge gives,' we demand liberal and independent incomes for the State Normals, Col-

lege of Industrial Arts, Agricultural and Mechanical College and the State University, and the separation of the Agricultural and Mechanical College from the State University."

Farmers' Congress Resolutions, 1913.
"We therefore beg to remind the dominant political party in power in this State that on two previous occasions the party platform has positively demanded that the Legislature shall submit to the people of this State a constitutional amendment providing for an absolute divorce of the Agricultural and Mechanical College in Brazos County from the State University in Austin."

State Farmers' Institute—College Station, August 1, 1912.

"We believe that the Thirty-fourth Legislature should submit an amendment to the State Constitution in keeping with the demands of the last two Democratic platforms providing for the complete separation of the A. & M. College from the University of Texas, and for proper division of the permanent University funds."

Every candidate for Governor since 1910 has announced in favor of the complete separation of these two schools.

Lacoste Laconics.

R. Joe Riff and family of Dunlay were Lacoste visitors Saturday.

Mr. and Mrs. F. R. Dickey spent one day last week in San Antonio, the guests of relatives and friends.

Edmund Hutzler and family of Dunlay were here on business Saturday.

The dance given at the Lacoste W. O. W. Hall by the Civic Club was a grand success in every particular. Large crowds from all the adjoining towns were in attendance, and best of order prevailed throughout the night.

Miss Emma Sauer of Brackettville is visiting relatives here this week.

Burl Blackwell is at home again after a lengthy stay out west.

Miss Meda Boehme of Castroville, Misses Cedalia, Cornelia and Elvira Wurzbach and Alfred Mangold of Cliff, Miss Gertrude Hug, Messrs. Albert Salzman, Jake Koch and Harry Wernette of San Antonio and Edward Weynand of D'Hanis were guests of Messrs. Regina and Elenora Mangold Sunday, and also attended the Calico Ball here Saturday night.

Mrs. Frank Hauck and children of Orange Grove, Mr. and Mrs. Joe Tschirhart, Sr., Joe Tschirhart, Jr., and family of Noonan and Mrs. Emma Meinhard of San Antonio spent Sunday with Hy. Mangold and family.

Mrs. Gerhard Ihnken and little daughter, Aline Marie, of Castroville were pleasant callers here Saturday.

Adolph Itlis and family of San Antonio paid a visit to Alois Itlis and wife here Sunday.

Mrs. Arman Boehme and son, Ferdinand, of Castroville were here on business Sunday.

Otto Jungman is enjoying his annual vacation this week.

Emil Heyen of Hondo was here to see "his best" Sunday.

Alex Boehme, the Kiomedina merchant, was here on business one day this week.

Miss Pauline Halty of Castroville spent the past week with Chas. Halty and family.

Miss Kathleen Hart and Walter Stewart of San Antonio were here for the dance Saturday night.

Miss Georgie Lum of Liberty is here on an extended visit to Mr. and Mrs. E. F. Hilliard.

Chas. Moeller Jr. made a business trip to San Antonio Tuesday.

Miss Ida Reicherzer was an Alamo City visitor one day last week.

Mrs. Joe Halty of Castroville paid a visit to Mrs. Chas. Halty one day last week.

Messrs. Ralph Noonan and Elmer de Montel of Hondo were here for the dance Saturday night.

Lacoste, June 30, 1915.

Any comprehensive scheme for rural school improvement in Texas must include a provision for the training of teachers to teach them. Herein is a great service of the University of Texas, which institution alone furnishes above 400 well trained teachers to the common schools of the State.

The success of the Sackett resolution, the constitutional amendment divorcing the A. & M. College and the State University, to be voted upon on July 24, depends largely upon the people of Brazos County. Every man in the county without a single exception can aid in this campaign, and it is the duty of all to get to work at once. The great thing needed is for you to tell your friends in other parts of the State what the resolution is and what it means. They will do the rest.

House joint resolution No. 34, separating the A. & M. College from the University, does not provide for bonds in any shape, but it is merely a measure which will establish for all time to come the independence of the college and fix its permanent home at College Station, its present site.

CASTROVILLE ANVIL SPARKS

This Department is in charge of our Authorized Agent for Castroville—
ED. H. HUEHNER, Editor
who is authorized to collect and receipt for money due this paper and to whom items intended for this page should be submitted.

Mrs. Val Mangold and sons of San Antonio and Mrs. Frank Hawkes and children of Orange Grove were visiting relatives here the first of the week.

Prof. Ridout spent Sunday in San Antonio.

Mrs. John Stricker and children were guests of her mother, Mrs. M. Fuos.

Misses Mollie, Lorine and Lucile de Montel of Hondo are visiting relatives here this week.

Mrs. A. A. Christilles and children of San Antonio are visiting Mr. and Mrs. Pete Rihn.

Lawrence Ahr, Pete Tschirhart and Robert Keller of San Antonio spent Sunday and Monday here.

Alfred Rihn is enjoying a two weeks' vacation.

Mrs. Emil Tondre is the guest of her daughter, Mrs. F. G. Muennink, at Hondo this week.

Mrs. J. Arthur Williamson and little son, Montel, are guests of Mr. and Mrs. Louis Scherrer.

Mrs. Albert Yourzick and son, Arthur, and Mr. and Mrs. Rudolph Ahr and daughter, May, are spending some time with Mr. and Mrs. Robert de Montel.

Misses Ida Ihnken and Luella Bellmore spent several days at the Medina Dam.

Castroville, July 5, 1915.

A Good Household Salve.

Ordinary ailments and injuries are not of themselves serious, but infection or low vitality may make them dangerous. Don't neglect a cut, sore, bruise or hurt because it's small. Blood Poison has resulted from a pinprick or scratch. For all such ailments Bucklen's Arnica Salve is excellent. It protects and heals the hurt; is antiseptic, kills infection and prevents dangerous complications. Good for all Skin Blemishes, Pimples, Salt Rheum, Eczema. Get an original 2-ounce 25c box from your Druggist.

Institutes Organized.

Fletcher Davis, representing the State Department of Agriculture was here yesterday and expected to speak here last night, but due to the Baptist meeting being in progress at this place he called his speaking date off. We regret that Mr. Davis did not get to fill his appointment here, and we hope that he may yet visit our town at a more favorable time. He reports having organized Clubs at Cypress Mill and Round Mountain. The following officers were elected at Cypress Mill: J. B. Wenmohs, President; Ad Fuchs, Vice-President; John Goebel, Secretary; Walter Tucker, Entomologist. John Goebel and Ad Fuchs were elected as delegates to the State meeting to be held at Austin.

The officers elected at Round Mountain were as follows: W. A. Hale, President; Dave Hays, Vice-President; Miss Eva Dodgen, Secretary; E. M. Shelly, Entomologist. Misses Eva Dodgen and Hope Shelly were elected delegates to state meeting.

Success to the organization.—Johnson City Enterprise.

Tired, Aching Muscles Relieved.

Hard work, over-exertion, mean stiff, sore muscles, Sloan's Liniment lightly applied, a little quiet, and your soreness disappears like magic. "Nothing ever helped like your Sloan's Liniment. I can never thank you enough," writes one grateful user. Stops suffering, aches and pains. An excellent counter-irritant, better and cleaner than mustard. All Druggists, 25c. Get a bottle to-day. Penetrates without rubbing.

Farmers' Institute Re-Organized.

Fletcher Davis, representing the state agricultural department at Austin, was here Saturday and met with a number of farmers at the court house in the afternoon. He assisted in re-organizing the Farmers' Institute. The following officers were elected: President, W. L. Taylor; vice-president, Luther Harmon; secretary, M. N. Carter.

T. A. Lindsey, W. L. Taylor and Ned Carter were elected delegates to the state Farmers' Institute, which will meet in Austin, July 27, 28 and 29.—Lampasas Blade.

An Easy, Pleasant Laxative.

One or two Dr. King's New Life Pills with a tumbler of water at night. No bad, nauseating taste; no belching gas. Go right to bed. Wake up in the morning, enjoy a free, easy bowel movement, and feel fine all day. Dr. King's New Life Pills are sold by all Druggists, 36 in an original package, for 25c. Get a bottle to-day—enjoy this easy, pleasant laxative.

COULD SCARCELY WALK ABOUT

And For Three Summers Mrs. Vincent Was Unable to Attend to Any of Her Housework.

Pleasant Hill, N. C.—"I suffered for three summers," writes Mrs. Walter Vincent, of this town, "and the third and last time, was my worst."

I had dreadful nervous headaches and prostration, and was scarcely able to walk about. Could not do any of my housework.

I also had dreadful pains in my back and sides and when one of those weak, sinking spells would come on me, I would have to give up and lie down, until it wore off.

I was certainly in a dreadful state of health, when I finally decided to try Cardui, the woman's tonic, and I firmly

believe I would have died if I hadn't taken it.

After I began taking Cardui, I was greatly helped, and all three bottles relieved me entirely.

I fattened up, and grew so much stronger in three months, I felt like another person altogether."

Cardui is purely vegetable and gentle-acting. Its ingredients have a mild, tonic effect, on the womanly constitution.

Cardui makes for increased strength, improves the appetite, tones up the nervous system, and helps to make pale, sallow cheeks, fresh and rosy.

Cardui has helped more than a million weak women, during the past 50 years. It will surely do for you, what it has done for them. Try Cardui today.

Write for: Chattanooga Medicine Co., Ladies' Tonic Dept., Chattanooga, Tenn., for Special Instructions on your case and 50-page book, "Home Treatment for Women," sent in plain wrapper.

UGH! CALOMEL MAKES YOU SICK. DON'T STAY BILIOUS, CONSTIPATED

"Dodson's Liver Tonic" Will Clean Your Sluggish Liver Better Than Calomel and Can Not Salivate.

Calomel makes you sick; you lose a day's work. Calomel is quicksilver and it salivates; calomel injures your liver. If you are bilious; feel lazy, sluggish and all knocked out; if your bowels are constipated and your head aches or stomach is sour, just take a spoonful of harmless Dodson's Liver Tonic instead of using sickening, salivating calomel. Dodson's Liver Tonic is real liver medicine. You'll know it next morning because you will wake up feeling fine, your liver will be working, your head aches and dizziness gone, your stomach will be sweet and bowels regular. You will feel like working. You'll be cheerful; full of energy, vigor and ambition.

Your druggist or dealer sells you a 50 cent bottle of Dodson's Liver Tonic under my personal guarantee that it will clean your sluggish liver better than nasty calomel; it won't make you sick and you can eat anything you want without being salivated. Your druggist guarantees that each spoonful will start your liver, clean your bowels and straighten you up by morning or you get your money back. Children gladly take Dodson's Liver Tonic because it is pleasant tasting and doesn't gripe or cramp or make them sick.

I am selling millions of bottles of Dodson's Liver Tonic to people who have found that this pleasant, vegetable, liver medicine takes the place of dangerous calomel. Buy one bottle on my sound, reliable guarantee. Ask your druggist about me.

TAN-NO-MORE
AND
FRECKLELEATER
Two of the most Scientific Beautifying Agencies Known.

TAN-NO-MORE

THE SKIN BEAUTIFIER

The scientific combination of Cream and Powder. Delightful in appearance and pleasing in its effect. Used during the day it is a protection from the sun and wind. In the evening its use assures a faultless complexion.

Experience has taught us that the best way to apply Tan-No-More is to put it on very wet and wipe off with a soft towel at once and do not wait for it to dry.

Are You Feeling Fit?

Do you envy the man or woman of untiring energy, strong body and happy disposition? All these depend upon good health, and good health is impossible when the kidneys are diseased. Foley Kidney Pills help the kidneys cast out poisons that cause backache, rheumatism, and other symptoms of dangerous kidney and bladder troubles. W. H. Windrow, Hondo; Louis Carle, D'Hanis.

When Hot Weather Oppresses.

When you feel oppressed, dull and stupid, are inert and languid—do not blame it all on the weather. Heat will not affect you so much if the bowels are regular. Foley Cathartic Tablets are ideal for indigestion and constipation. They relieve stout persons of that bloated, heavy feeling.—W. H. Windrow, Hondo; Louis Carle, D'Hanis.

A Cough Remedy That Relieves.

It's prepared from the healing Pine Balsam, Tar and Honey—all mixed in a pleasant, soothing Cough Syrup called Dr. Bell's Pine-Tar-Honey. Thousands have benefited by its use—no need of your enduring that annoying Cough or risking a dangerous Cold. Go to your dealer, ask for a 25c original bottle Dr. Bell's Pine-Tar-Honey, start using at once and get rid of your Cough and Cold.

Success with many of you would be a failure during the present week if it should be only in proportion to the amount you deposited in the collection basket yesterday.

Wanted Now.

Right now, when hay fever is attacking its victims and when asthma is causing so much distress, there is a demand for Foley's Honey and Tar Compound—the remedy that brought relief to thousands in previous years. Don't continue to suffer. It will help you. Contains no opiates. W. H. Windrow, Hondo; Louis Carle, D'Hanis.

It is not much trouble for an auto driver to learn how to start his car and to keep it going. Knowing how to stop the thing at the right time is more important.

HIS LAUGH AND GROW FAT MOTTO WORKED WONDERS

Now Arbuckle is Trying the Same on Screen Fans with Success.

His motto of laugh and grow fat having worked so advantageously to himself, Roscoe Arbuckle, famous Keystone (Mutual) grouch-chaser, is employing the same recipe in behalf of his admirers, of whom he has counted thousands, and who know him as

Roscoe Arbuckle, the Keystone (Mutual) Comedian Who Laughed and Grew Fat.

"Fatty." Those who know this rollicking player declare him to be the jolliest, happiest-go-lucky person in screenland. He is never without a smile.

The laugh and grow fat recipe of Arbuckle's began while he was attending college. Indeed, he laughed so much and gained weight so fast that he was compelled to quit the university nine, where he had gained considerable prestige as a shortstop, and transfer his allegiance and weight to the gridiron squad. He was one of the best football players ever turned out on the Coast. Arbuckle scored success from the very moment he entered studio work, in which his smile and jolly nature has been a feature ever since.

BANKERS URGED TO CO-OPERATE WITH FARMERS

SOUL MATERIAL HAS ENTERED
THE BANK VAULTS OF
THE NATION.

The Bank a Financial Power House
to the Community.

By Peter Radford.

One of the greatest opportunities in the business life of the nation lies in practical co-operation of the country banks with the farmer in building agriculture and the adventure is laden with greater possibilities than any forward movement now before the American public.

A few bankers have loaned money to farmers at a low rate of interest, and oftentimes without compensation, to buy blooded livestock, build silos, fertilize the land, secure better seed, hold their products for a better market price, etc. The banker in contributing toward improving the grade of livestock; the quality of the seed and the fertility of the soil, plants in the agricultural life of the community a fountain of profit, that, like Tennyson's brook, runs on and on forever. Community Progress a Bank Asset.

The time was when money loaned on such a basis would severely test the sanity of the banker; such transactions would pain the directors like a blow in the face. A cashier who would dare to cast bread upon waters that did not return buttered side up in time for annual dividends would have to give way to a more capable man. This does not necessarily mean that the bankers are getting any better or that the milk of human kindness is being imbibed more freely by our financiers. It indicates that the bankers are getting wiser, becoming more able financiers and the banking industry more competent. The vision of the builder is crowding out the spirit of the pawnbroker. A light has been turned on a new world of investment and no usurer ever received as large returns on the investment as these progressive bankers, who made loans to uplift industry. The bankers have always been liberal city builders, but they are now building agriculture.

A Dollar With a Soul.

It is refreshing in this strenuous commercial life to find so many dollars with souls. When a dollar is approached to perform a task that does not directly yield the highest rate of interest, we usually hear the rustle of the eagle's wings as it soars upward, when a dollar is requested to return at the option of the borrower, it usually appeals to the Goddess of Liberty for its contractual rights; when a dollar is asked to expand in volume to suit the requirements of industry, it usually talks solemnly of its redeemer, but soul material has entered into the vaults of our banks and rate, time and volume have a new basis of reckoning in so far as the ability of some of the bankers permit them to co-operate in promoting the business of farming.

God Almighty's Noblemen.

These bankers are God Almighty's noblemen. Heaven lent earth the spirit of these men and the angels will help them roll in place the cornerstones of empires. They are not philanthropists; they are wise bankers. The spirit of the builder has given them a new vision, and wisdom has visited upon them business foresight.

The cackle of the hen, the low of kine and the rustle of growing crops echo in every bank vault in the nation and the shrewd banker knows that he can more effectively increase his deposits by putting blue blood in the veins of livestock; quality in the yield of the soil and value into agricultural products, than by business handshakes, overdrafts and gaudy calendars.

Taking the community into partnership with the bank, opening up a ledger account with progress, making thrift and enterprise stockholders and the prosperity of the country an asset to the bank, put behind it stability far more desirable than a letterhead bearing the names of all the distinguished citizens of the community. The bank is the financial power house of the community and blessed is the locality that has an up-to-date banker.

Lacoste Laconics.

Mrs. Wm. Tschirhart was a pleasant visitor in the Alamo City Wednesday.

Grandma Marty of Castroville was the guest of her daughter, Mrs. Geo. Christilles, the past week.

Jimmy Castaleon of Bay City spent the past few days with his aunt, Mrs. F. R. Dickey.

Mr. and Mrs. Albert Ihnken of Chicon were Lacoste visitors one day last week.

Mrs. A. L. Haller and children are visiting at Pearsall this week.

Mrs. L. C. Luckenbach and children are visiting relatives in San Antonio this week.

Mrs. Chas. Moeller, Jr., Mr. and Mrs. Alex Halty, and Mrs. Adam Drotcourt and daughter, Miss Cecil, and Mrs. Chas. Zinsmeyer were passengers to San Antonio Tuesday morning.

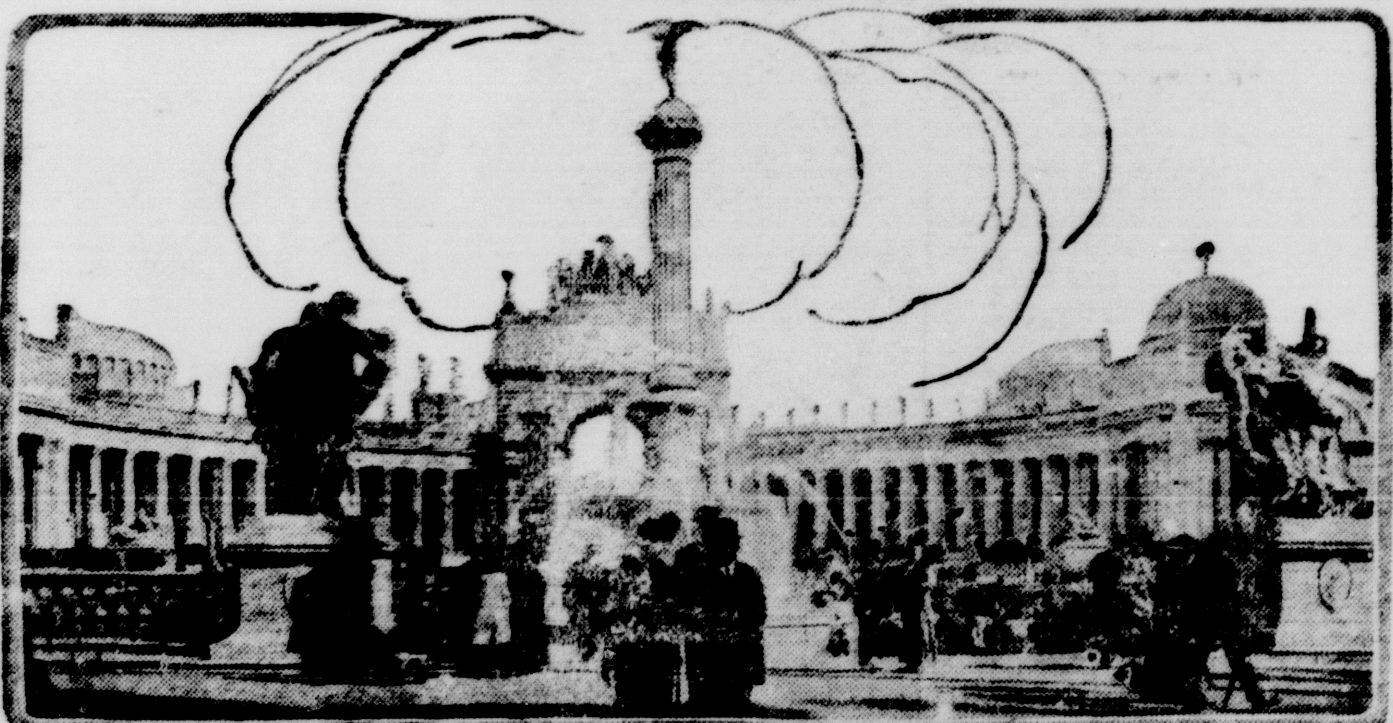

Lacoste, July 7, 1915.

INSIDE INN AT PANAMA-PACIFIC INTERNATIONAL EXPOSITION

View of architect's perspective of huge hotel on the exposition grounds at San Francisco. Visitors to the great world's exposition at St. Louis in 1904 will remember the huge Inside Inn at that exposition. There is a similar large building at San Francisco, with a capacity of accommodating thousands of people. The location of the building is within the exposition grounds, near the great Palace of Fine Arts. The Inside Inn is a city in itself.

THE MIGHTY COURT OF THE UNIVERSE, THE HUB OF THE ARCHITECTURAL SCHEME AT THE PANAMA-PACIFIC INTERNATIONAL EXPOSITION

All visitors to the Panama-Pacific International exposition at San Francisco at some time during their stay at the exposition make their pilgrimage through the Court of the Universe. This is the largest court on the grounds; and is the central radiating unit of the architectural and ground plans. Noble sculptured groups embellish it, the two Homeric groups—the Nations of the East and the Nations of the West—surrounding the giant arches at the east and west portals. By night the beauty of the court is enhanced by the flood lighting effects.

ARTS AND CRAFTS OF 10,000 YEARS AGO SHOWN IN THE TEHUANTEPEC VILLAGE AT THE PANAMA-PACIFIC INTERNATIONAL EXPOSITION

The Tehuantepec village on the Zone at the Panama-Pacific International Exposition is a bit of the oldest civilization of the world brought to San Francisco from the country of the Aztec ruins in Central America. Beautiful carpet weaving is shown, together with onyx cutting, clay and wax modeling, ancient dancing and singing, pottery making and coloring and other arts characteristic of the people. A typical garden is open to the visitor in the concession in which is to be seen the landscape art of this people.
